His family comes first. And second too.

Muhamad Shahrیمان Munit is a family man. He loves spending time with his wife and two children. In his free time. At work, his attention is focused on his second family - Continental.

What motivates Shahrیمان the most is the strong team spirit among colleagues, whether they work in management or in production. "There is never one person who solves all the problems," he explains. "We can work well only if we are a good team."

Shahrیمان looks back on 12 years at Continental. His special highlight was being nominated for the ContiTireAward in 2011. This prize is awarded each year for outstanding performances by employees within the global tire family. And family is just where Shahrیمان feels most at home.
